Developmental Goals:

- 1: Establish a congregational culture rooted in trust and offering mutual respect and encouragement.
- 2: Implement improvements to our Governance and Leadership models, evaluating and optimizing our use of both professional staff and volunteer roles.
- 3: Create a coordinated social justice advocacy to both invigorate members and increase UUCM presence in the outside community.
- 4: Develop deeper comprehension as individuals and as a congregation of religious histories and diversities in what we bring into our UU covenants.
- 5: Strengthen the physical plant of the church by creating plans to care for what we have and expand in ways that align with our UU values.
